*"Romeo and Juliet : A Tale of Love in the Wilderness" is an adaptation of William Shakespeare's classic. This story.....*

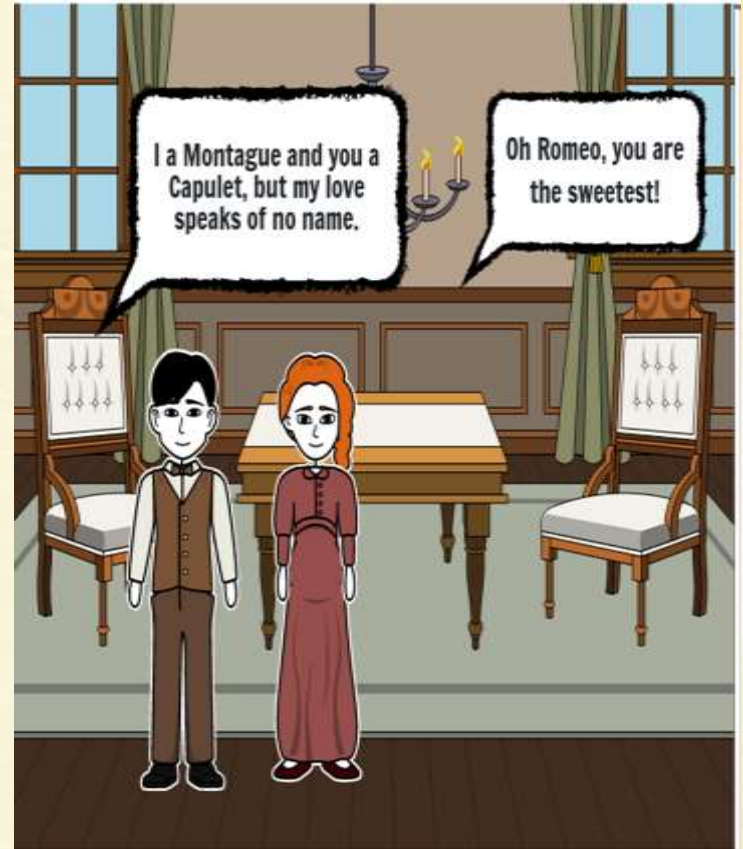

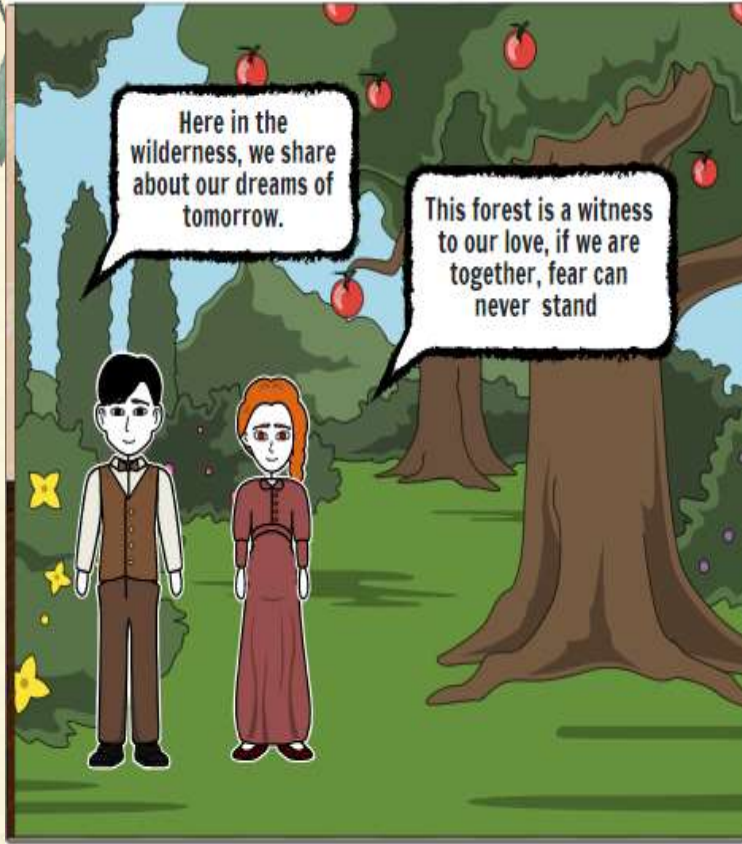

**In a far place called Verona Calamba, there lived a man named Romeo. Romeo belongs to the wealthy Montague clan who owns the whole Buco Pie Industry of the city. He is madly in love with a lady called Juliet.**

Juliet is the heiress of the wealthy clan of the Hot Spring Resorts and Hotel Industry in the city. Romeo and Juliet's families are mortal enemies. Despite the feud in their families, the lovers devotion to one another is beyond comparable.

In the wilderness  
they often go, Romeo  
whispers sweet words  
to Juliet. And Juliet  
happily replies. The  
forest is a witness to  
their love. They are so  
engrossed at each other  
when suddenly.....
